Dignity Memorial® Public Servants Program

Dignity Memorial® providers created the Dignity Memorial® Public Servants Program to recognize the courage and selflessness of those who serve. This program offers dignified and honorable tributes, at no cost, for career and volunteer law enforcement officers, firefighters and emergency services personnel who fall in the line of duty.

For more than ten years, the program has helped families deal with the emotional and financial burdens associated with the sudden loss of a loved one. In addition to providing burial services, the program offers extended counseling services to family members, as well as the opportunity to create an Internet tribute as a loving memorial.

"Losing an officer in the line of duty is probably the worst event a police chief will ever have to deal with. I want to thank you for the very kind contribution of goods and services you provided to help ensure that our officer's memory was honored in the most fitting manner."

*- M.W. Thaler, Chief of Police
Pasadena, TX*
