*Our Purpose is to care deeply about people, helping

## **We support our communities –**

At RoNetco Supermarkets, the core purpose of our company is to give back to communities that have supported our stores since 1927. Annually, we donate nearly one million dollars to charitable organizations and events throughout our trading area. We have specific guidelines we follow when we review donation requests. Before you submit a request, please take a look at the guidelines to see if your event qualifies.

**Please submit requests a minimum of three (3) weeks prior to the event. Last minute requests may not be considered. Due to the volume of requests we receive, only approved requests will receive a response. Responses will be mailed.**

All requests must be received in writing on the organization's letterhead, via U. S. mail. **Faxes and emails will not be considered.**

### **Requests for Turkeys and Holiday Food Baskets:**

Here's how we feed those in need:

In 1999, the ShopRite Partners in Caring program was created so that we can help feed our neighbors in need on a year-round basis. Through this program, we assist local food pantries in their mission to provide food for those that may not have enough to eat. With that in mind, we have diverted our turkey and holiday giving to go through the ShopRite Partners in Caring program. Because we already give holiday turkeys and products to the Food Bank to support the local food pantries, we are not able to donate additional turkeys or foods for holiday baskets in response to donation requests.

***We try to support as many organizations as possible within the framework of our budget and giving guidelines. Please understand that we may not be able to accommodate requests in full and not all requests will meet our giving guidelines.***
